Michael Lozano, Jr., M.D., HCFR Medical Director

1. This policy establishes the Medical Exposure Control Plan – Exposure Control Fact Sheets Addendum.
2. This section of the Policy & Procedures Manual #3 is to be used as a reference guide for Hillsborough County Fire Rescue members in familiarizing themselves with the potential hazards faced in providing emergency healthcare to sick or injured persons.
3. For ease of reference the following pages of this manual are not listed by a policy number but rather alphabetically.
4. The current fact sheets available under this policy are:
 - a. AIDS / HIV
 - b. Hantavirus
 - c. Hepatitis-A
 - d. Hepatitis-B
 - e. Hepatitis-C
 - f. Influenza
 - g. Meningococcal Meningitis
 - h. Streptococcus Pneumoniae
 - i. Tuberculosis
5. All members are encouraged to contact the department Infection Control Officer for any questions about information contained in these fact sheets or about any infectious diseases or processes not covered herein.
