- EPCR / Documed PIN numbers will no longer be issued to firefighters.
- Any firefighter with HCFR will have their PIN number removed at the issue of this General Order.
- Only personnel that have successfully completed HCFR's paramedic orientation will be issued PIN numbers for EPCR / Documed report writing.
- Only paramedic certified personnel will be permitted to write reports for patient contact regardless of ALS or BLS status. The only exception to this General Order 2019-03 are personnel that are non-paramedic certified that have been promoted and are not required to have or maintain a paramedic certification.
- This effectively replaces Standards of Medical Documentation 360.12a.
